KODAI GREEN VALLEY

KEY PLAN
Not to Scale

Who We are

Million Homes a step into Real Estate, we recognize that we do more than sell houses, we provide perspective and expert interpretations of Market Information to our clients. We always believe that our client needs are our highest goal. We are the leader's in-depth knowledge in Real Estate and Construction Industry. While before into the industry past 20 years we sold real estate under multiple franchise umbrellas.

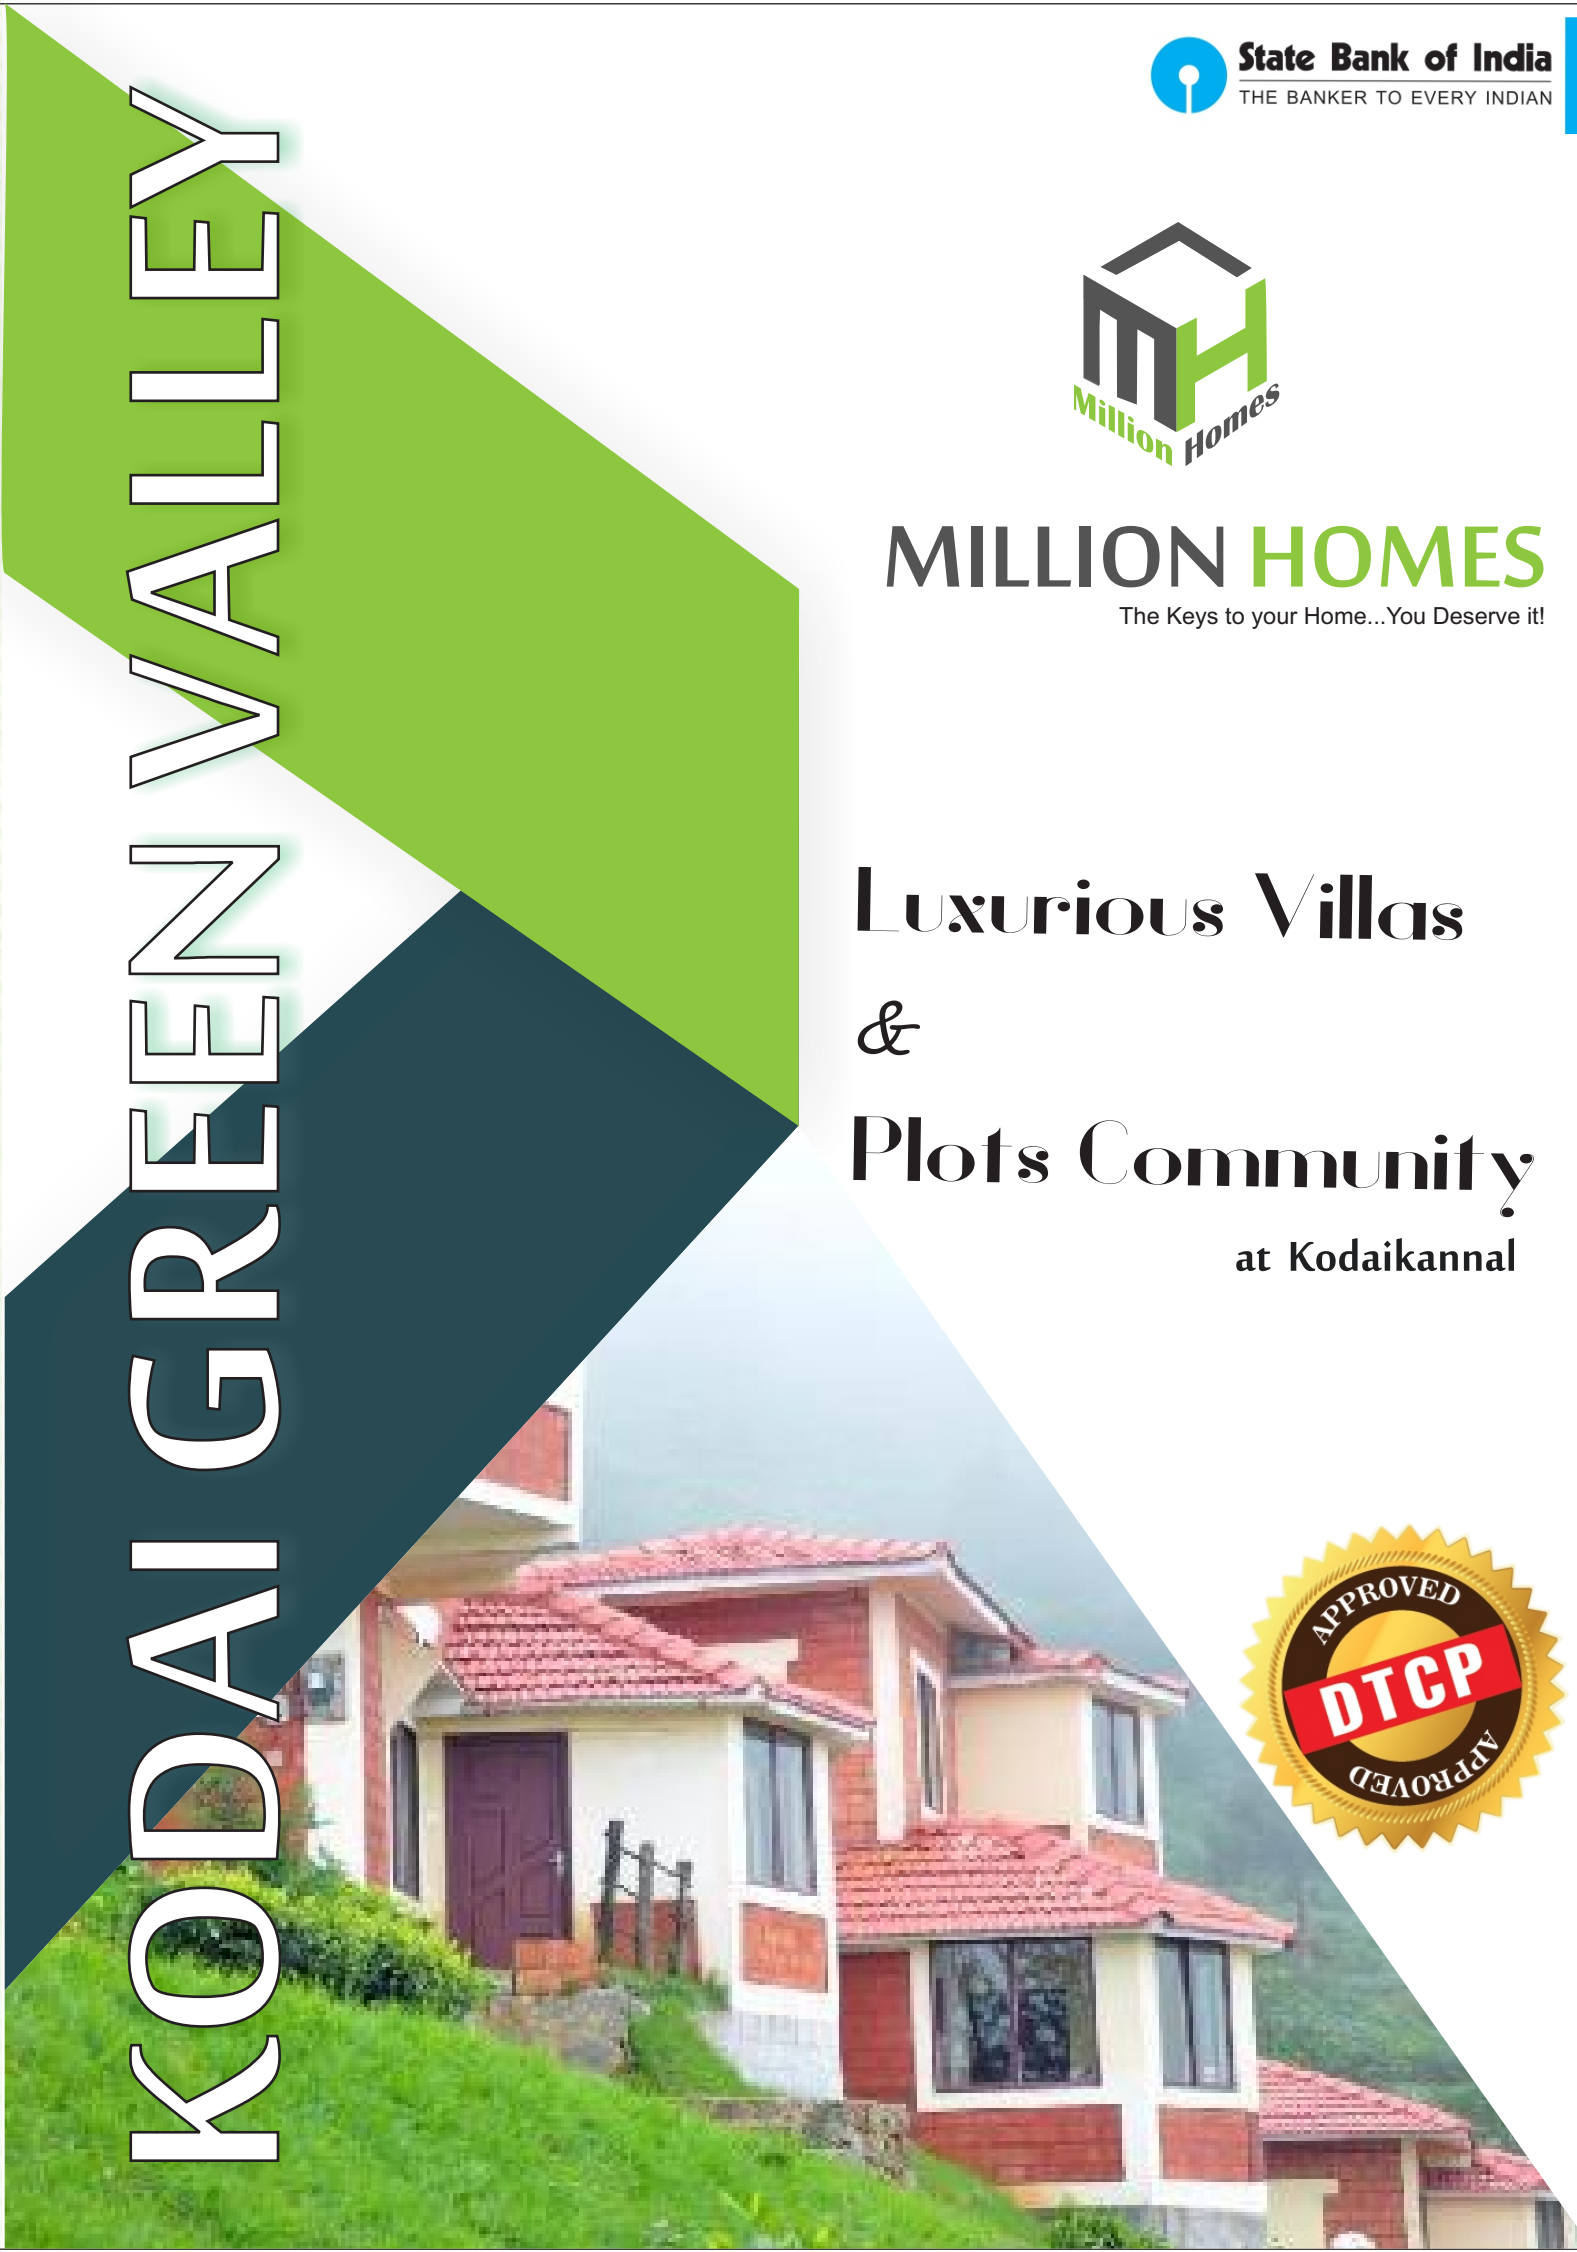

Our Team

What makes Million Homes different, each of our team is unique, combining diverse experience from the architecture, design, property finance and development sectors. A commitment to excellence and attention to detail is at the heart of everything we do.
